

## PARTNERING WITH **Event Performances**

(Group/Band)

### WHO WE ARE:

- We are a company of performers, dedicated to public and private professional performances. **Event Performances** is comprised of musicians who perform every type of music. We will hand-pick our selections to match the unique style of a client's event perfectly.

### WHAT WE DO:

- Live Performances.
- We are experts in wedding ceremony music, receptions, background music, cocktail music, corporate and company events, private parties, formal and casual events, and many more.
- We team the best performers to create unique, fine, and amazing performances that will bring an unforgettable touch of elegance to an event.
- From solo performers to big bands!
- Our Artists and Performers are experts in assuring a fluent and natural flow of our performances in an event.

### VISION

- To empower & promote kind, professional and talented music performers from around the world; and to inspire the world with our amazing live performances. It is all about the performers, their inspiring performances, and their inspired audiences.

"When we play it the people will come".

### MISSION:

- To plan unforgettable and high quality live music performances.
- To represent, strength, and support a large community and network of professional inspiring and talented performers by local recruiting, and to inspire audiences from all over with our performer's live music presentations.

- To be in charge of creating performance opportunities for talented and artistic performers. We are in charge of remunerating many professional musicians, and to coordinate and prepare their performances.
- To expand and promote the performance career and promote job openings in the area.
- **EP** promotes performers through the **EP** website and through the many different expos and events the company participates. To promote its current performers and many others we are constantly promoting, supporting, and recruiting professional performers and ensembles of all kind.
- **EP** plans to partner, network, and collaborate with other artists, vendors, and businesses that are willing to support music and the arts, and that plans to strength music performances and to inspire the community audience. **EP** plans to extend a hand to all vendors who partners with **Event Performances** in order to support artists and to inspire the community through amazing event performances.

## OUR VALUES

- We are known for our professional, artistic live services & performances. For such reasons we only recruit professional, kind & friendly but talented performers.
- We love what we do and are always delighted to be part of a Wedding and Special Event. We inspire the moment and we inspire at the moment.
- We are not to forget that each event is always one of kind special moment.
- We work in detail. We are excited music performance planners looking forward to inspire.
